The Elms' Leaflet

Volume 2 Issue 5 *Editor, Doug Jackson*

August 6, 2021

FINALLY … SOME PUBLIC GATHERINGS!

Many of you received the current issue of Springwater News yesterday and probably noticed the announcement about the upcoming Community Get-Together at Heritage Park on Sunday, August 22nd. We are thrilled to announce that EASR will be there joining together with other groups that make this community so vibrant and active. Look for our brand new tent just past the stone gate at the entrance to the park. Members of the Board of Directors will be

EVENT CANCELLED

there to share with you some of the exciting architectural drawings, landscape designs, building lay-outs and floor plans of suites. Of course, these plans are still at the development stages, but they will give you a good idea of the scope of the entire project and the elements that may be included in the first phase. We have moved from the "schematic" to the "design development stage" of our plans, but we recognize that there will be alterations required as we proceed through the "working drawing stage" before we are able to advance to the "construction stage". We are sending this personal note to you to invite and encourage you to visit us on Sunday afternoon, between 12:30 and 4:00 pm for the **first-time reveal** of of our schematic design plans. You have all seen the "concept plan" on our website https://the-elms.ca but a brand-new layout will be revealed at this special event on the 22nd. Join us and share in the excitement!

After months of meeting together on ZOOM conferences, we were finally able to meet in person with our team of architects. We gathered outdoors at Tollendale Village, the not-for-profit retirement campus in Barrie that has become the inspiration and model for our fixed-value life lease program. We have accomplished a great deal by co-ordinating the architects, mechanical engineers, landscape designers, stormwater management experts and other consultants via ZOOM, but it is refreshing to be meeting in person!

I encourage those of you who have not yet joined our waiting list or our membership list to do so, When the good news of our project spreads to the wider community, there will be a rush to join. Remember, your wait list application is "date stamped", ensuring your place in line for suite availability. For additional information or clarification, email EASR at elmsvillage@gmail.com or contact me, Doug Jackson, personally at 705-527-3097 or via email at sjackson@csolve.net .
